

**We are expanding and we need your help!!!
Help Camp Kasota West build the Long House!!!**

Camp Kasota West has been serving the children and youth of Calgary, Alberta since 1925 and has grown a great deal over the last 10 years. Our enrollments have doubled in the last decade to a point where we now serve over 800 campers a summer, as a result we need to expand our existing facilities.

What will the Long House do?

The Long House will allow us to expand our current Wash House nearly doubling our current capacity. We will be adding 3 toilets, 3 showers and 3 sinks in 2 separate washrooms for our male and female campers. This new facility will also house an infirmary and sick bay for sick and injured campers and additional accommodations.

How much will it cost?

The estimated cost of the Long House is over \$100,000 to clear the land, erect the building and upgrade our current septic and water system.

How can I help?

We are in need of donations to help us complete this major undertaking. Any donation is very much appreciated and ever dollar will help the Long House become a reality. So whether you can afford \$25 or \$2,500 please help us improve Camp Kasota West for your children, our campers and campers for years to come. Tax receipts can be issued.

Donations of \$1,000 and more will be honored on a commemorative plaque on the Long House once it is complete.

Donations can be mailed:

**Camp Kasota West
3623 - 2 Street NW
Calgary, AB T2K 0Y3**
